

HELP US LEARN FROM YOUR EXPERIENCE: BECOME A CLIENT ADVISOR

Canadian Mental
Health Association
Oxford County

Every client has a story to tell. Your opinions and impressions from your involvement with our agency are invaluable to us as we strive to deliver client and family directed care and improve the overall client experience at CMHA Oxford.

CLIENT ADVISORS MUST:

- Have been a client in the past 5 years and be interested in sharing their positive and negative experiences
- Be able to come to the majority of the council meetings; 8 times per year to advise us on initiatives, policies and programs.
- Commit to approximately 4 hours per month as there is some project work between meetings.

Applications can be found on our website:

FIND YOUR VOICE

CMHA Oxford is looking for individuals who have been in our programs or received counselling services to join our Client and Family Advisory Council. Once you become an advisor, you will participate as a volunteer member of the council to provide your perspective and play an active role in identifying recommendations for improvement.
